

A SINCERE REQUEST TO THE PARENTS

Subject: Safety and security of the children during transportation

This is our sincere request to the parents to do a routine check of the conveyance of the students. **The authenticity of the IDENTITY of the Driver/Owner of the vehicle, the R.C Book, DL, Safety validity, Insurance and other safety details should well be verified.** This is the **responsibility** of the parent concerned.

The school is located all most 10 kms away from the city for which every ***pre-caution*** related to the safety of the children while **commuting to and fro the school** should be taken care of.

Please take regular feedback from the students as well as co-passenger students for regular information and safety.

Please do not provide Motor Bikes to the minors. !

This issues in the interest of safety and security of the students.
